Dear John,

Congratulations again and may the good Lord be with you as you embark upon that awesome voyage as the DDCI.

My day with the CIA was most fruitful. I would like to thank you for the opportunity to meet with you and your staff and most especially for the excellent luncheon - most enjoyable.

The discussions and briefings throughout the day were outstanding. As a result, I have a much better appreciation for the future imagery architecture. The open and free exchange with your regional analysts gave me some good insight into the happenings in Africa, the Warsaw Pact, and the USSR.

Again, thank you - I look forward to meeting you again.

Sincerely,

EDWARD J. HEINZ
